## State Board Issues Final Order

**Thomas A. Bellace, P.E.**, a resident of Houston, Texas, was charged with violations of Ohio Revised Code Sections 4733.20 (A) (5) and Ohio Administrative Code Sections 4733-19-01 and 4733-35-08 based on his voluntary surrendering of his professional engineer license in Florida and subsequently the North Carolina Board's refusal to renew Mr. Bellace's professional engineer license. Mr. Bellace failed to report both actions to the Ohio Board. At its meeting on May 24, 2012 the Board voted to revoke Mr. Bellace's professional engineer registration until his license is reinstated in Florida.

## ABOUT THE BOARD

*The Ohio State Board of Registration for Professional Engineers and Surveyors is the state agency that regulates and licenses the professions of engineering and surveying in Ohio. The Board licenses approximately 30,000 registered professional engineers and professional surveyor and 2,200 registered engineering and surveying firms. The Board administers more than 2,500 engineering and surveying licensing examinations yearly.*
